TESTIMONIAL **MASTER ARTHUR RICHARD KWAME**

Master Arthur Richard Kwame was admitted to Suhum Senior High Technical School in November, 2011 and completed in June, 2014.

He offered Economics, General Knowledge in Art, Graphic Design and Sculpture as his Elective Subjects and English, Mathematics, Social Studies and Integrated Science as his Core Subjects.

He was very humble, respectful, hardworking and related very well with his school mates and teachers as well.

I have no hesitation in recommending him to anyone who may need his service.
