TESTIMONIAL IN FAVOUR OF **MISS BESSEY GIFTY**

This certifies that Miss Bessey Gifty is a past student of Presbyterian Senior High Technical School, Osino. She gained admission in the 2010/2011 academic year to pursue a 3 – year prescribed programme of study in General Arts and completed successfully by writing the 2013 West African Senior School Certificate Examination.

She was disciplined, focused, respectful and resourceful with good human relations.

I strongly recommend her to any tertiary institution for academic progression and to any organization for job opportunities.
